Dear Shareholder

Notice of Annual General Meeting

Proposed renewal of the Company's Quarterly Tender facility

The Annual General Meeting ("**AGM**") of the Company will be held at 12.00 p.m. on Thursday, 8 August 2024 at the offices of Northern Trust International Fund Administration Services (Guernsey) Limited, Trafalgar Court, Les Banques, St. Peter Port, Guernsey GY1 3QL, Channel Islands. Notice of the AGM is set out at the end of this document.

The Directors consider that the Resolutions to be proposed at the AGM are in the best interests of the Company and its Shareholders as a whole. The Directors therefore recommend unanimously to Shareholders that they vote in favour of each of the Resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Annual General Meeting

Resolution 1: Article 20.3.5 of the Articles of Incorporation permits that in circumstances where there are no Directors present at a meeting, the members elect a chairman by ordinary resolution. The Directors therefore propose that if no Directors are in attendance at the AGM, pursuant to Article 20.3.5, Shareholders approve the election of an authorised representative of the Corporate Secretary to chair the AGM.

Resolution 2: The Directors must lay the Report and Audited Financial Statements of the Company for the period from 1 October 2022 to 30 September 2023 before the Shareholders and the Shareholders will be asked to receive and consider the financial statements and the reports.

Resolutions 3 and 4: Shareholders will be asked to confirm the re-appointment of PricewaterhouseCoopers CI LLP as auditors of the Company until the conclusion of the next annual general meeting due to be held in 2025 and to grant authority to the Board to determine their remuneration.

Resolutions 5 - 8: Following an evaluation of the Directors conducted during the year, the Board believes that each Director offering him or herself for election or re-election (as applicable) continues to make an effective and valuable contribution and demonstrates commitment to the role.

Notwithstanding that some of the Directors sit on the boards of a number of other listed investment companies, the Board notes that each appointment is non-executive and that listed investment companies generally have a lower level of complexity and time commitment than trading companies. Furthermore, the Board notes that attendance of all Board and committee meetings during the year is high and that each Director has always shown the time commitment necessary to discharge fully and effectively their duties as a Director.

Ashley Paxton – (Non-executive Director and Chair of the Board)

Mr Paxton spent the majority of his career with KPMG having retired as partner and its Channel Islands Head of Advisory in 2019. He has developed a wide breadth of experience from working within practice, beginning in audit and then building a dedicated advisory team to provide a full taxonomy of advisory services across the Channel Islands. Ashley gave specific focus to developing value creation and preservation strategies for his clients, typically through mergers and acquisitions. Ashley currently holds a number of non-executive directorships across the financial services sector including a number of companies listed on the London Stock Exchange. He also plays an important role in the local third sector as Chair of the Youth Commission for Guernsey & Alderney. A resident of Guernsey, Ashley is a Fellow of the Institute for Chartered Accountants in England & Wales and holds an Economics degree from the University of Warwick.

Sharon Parr – (Non-executive Director and Chair of the Audit Committee and the Remuneration and Nomination Committee)

Ms Parr has over 35 years in the finance industry and spent a significant portion of her professional career with Deloitte and Touche in a number of different countries. After a number of years in the audit department, on relocating to Guernsey in 1999 she transferred to their fiduciary and fund management business and, after completing a management buyout and subsequently selling to Barclays Wealth in 2007, she ultimately retired from her role there as Global Head of Wealth Structuring in 2011. Ms Parr holds a number of Non-Executive Directorships across the financial services sector including in other listed funds. Ms Parr is a Fellow of the Institute of Chartered Accountants in England and Wales and a member of the Society of Trust and Estate Practitioners, and is a resident of Guernsey.

Wendy Dorey – (Non-executive Director and Chair of the Management Engagement Committee)

Ms Dorey has over 25 years' experience in the financial services industry, working for a number of leading asset managers including Robert Fleming, Friends Ivory & Sime, M&G Asset Management and BNY Mellon. She started her career in investment marketing and distribution, winning a number of awards for her campaigns to direct investors and the Intermediary market. She was latterly head of business strategy and planning for M&G, where she lead a number of corporate restructuring projects and product development initiatives. Since becoming a resident of Guernsey, Ms Dorey has taken on a portfolio of executive and non-executive roles. This includes being a Director of an investment consulting firm and holding Non-Executive Directorships in a leading Wealth Management firm and an AIM-listed fund. She was also appointed as a Commissioner for the Guernsey Financial Services Commission (GFSC) in 2015. Ms Dorey is a Fellow of the Institute of Directors and qualified as a Chartered Director in 2020. She was, until May 2023, the Chair of the Guernsey Branch of the Institute of Directors.

Richard Class – (Non-executive Director)

Mr Class' career spans more than thirty years in the financial services sector. Over more than a decade at Morgan Stanley, he was Managing Director and Head of EMEA Business Development for Fixed Income, and also a portfolio manager for their fixed income portfolios with assets totalling €7 billion. Prior to that, he was a

Board Director and trainer at BG Consulting, a financial products training and development company. He began his career as a fixed income derivatives trader in interest rates and FX products at Rabobank and Morgan Grenfell. He is currently a senior advisor to OptimX, which helps clients to reduce the costs of using financial markets, and is also a senior mentor. Mr Class has a Mathematics degree from Oxford University, and is a resident of the United Kingdom.

Resolution 9: Shareholders are being asked to approve the Directors' Remuneration Report contained in the Company's Report and Audited Financial Statements for period from 1 October 2022 to 30 September 2023.

Resolution 10 and Resolution 11: Under Resolution 10, the Board is seeking the approval for the authority to issue and allot up to 10 per cent. of the issued Ordinary Shares. Resolution 11 is conditional on Resolution 9 being passed and applies in addition to Resolution 10. Under Resolution 11, the Board is seeking the approval for authority to issue and allot an additional 10 per cent. of the issued Ordinary Shares. New Ordinary Shares will only be issued for an amount equal to or greater than the prevailing Net Asset Value per Ordinary Share and on a basis that any issues would not be dilutive to the Net Asset Value per existing Ordinary Share.

If both Resolution 10 and Resolution 11 are passed, Shareholders will be approving the issuance and allotment of 20 per cent. of the issued Ordinary Shares. The Board recommends Resolutions 10 and 11 with a view to broadening the Shareholder base in a cost effective manner which will also help reduce the ongoing charges ratio. Broadening the register is one of the Company's key objectives and therefore the Board believes that it is important that the Company has the ability to issue new Ordinary Shares to investors in order to satisfy demand.

If Resolution 10 is passed but Resolution 11 is not passed Shareholders will be approving the issuance and allotment of only 10 per cent. of the issued Ordinary Shares.

Resolution 12: The Board is seeking approval to sell shares held in treasury on a non-pre-emptive basis for cash up to 10 per cent. of the total number of shares in issue in the Company at the date of passing this ordinary resolution. This authority shall expire on the date falling fifteen months after the date of passing of this Resolution 12 or the conclusion of the next annual general meeting of the Company, whichever is the earlier. Any shares issued out of treasury will only be issued for an amount equal to or greater than the prevailing Net Asset Value per Ordinary Share and on a basis that any issues would not be dilutive to the Net Asset Value per existing Ordinary Share.

Special resolutions

Resolution 13: Your attention is drawn to the information on the renewal of the Quarterly Tender facility which is set out in more detail below.

Resolution 14: As part of the Company's discount management arrangements, the Directors are seeking to renew the authority to purchase the Company's shares in the market up to 37,710,992 Ordinary Shares (equivalent to 14.99 per cent. of the shares in issue as at the latest practicable date prior to the date of publication of this document, excluding shares held in treasury) from time to time either for cancellation or to hold as treasury shares for future resale or transfer.

The Board will consider whether the Company should purchase Ordinary Shares where such Ordinary Shares are quoted in the market at a discount in excess of 5 per cent. to Net Asset Value per Ordinary Share. The making and timing of any share buybacks is at the absolute discretion of the Board and is expressly subject to the Board determining that the Company has sufficient surplus cash resources available (excluding borrowed monies). Purchases of Ordinary Shares will be made within guidelines established from time to time by the Board and only in accordance with the Law, the Listing Rules, the UK Market Abuse Regulation and the Disclosure Guidance and Transparency Rules. Any purchase of Ordinary Shares would be made out of the available cash or cash equivalent resources of the Company or from borrowings.

Extraordinary Resolutions

Resolution 15: Resolution 15 dis-applies the pre-emption rights contained in the Articles so that the Board has authority to allot and issue (or sell from treasury) Ordinary Shares for cash on a non-pre-emptive basis in respect of Ordinary Shares in the Company (equivalent to 10 per cent. of the shares in issue as at the latest practicable date prior to the date of publication of this document, excluding shares held in treasury). The disapplication expires on the date falling fifteen months after the date of passing of this Resolution 14 or the conclusion of the next annual general meeting of the Company, whichever is the earlier and permits the Board to allot and issue shares (or sell shares from treasury) after expiry of the disapplication if it has agreed to do so beforehand. Shares issued (or sold from treasury) pursuant to the disapplication would not be issued at a price that is less than the prevailing Net Asset Value per share.

Resolution 16: Resolution 16 is conditional on Resolution 14 being passed and applies in addition to Resolution 15. Resolution 16 dis-applies the pre-emption rights contained in the Articles so that the Board has authority to allot and issue (or sell from treasury) Ordinary Shares for cash on a non-pre-emptive basis equivalent to a further 10 per cent. of the Ordinary Shares in issue as at the latest practicable date prior to the date of publication of this document, excluding shares held in treasury. The disapplication expires on the date falling fifteen months after the date of passing of Resolution 16 or the conclusion of the next annual general meeting of the Company, whichever is the earlier and permits the Board to allot and issue shares (or sell shares from treasury) after expiry of the disapplication if it has agreed to do so beforehand. Ordinary Shares issued (or sold from treasury) pursuant to the disapplication would not be issued at a price that is less than the prevailing Net Asset Value per Ordinary Share.

If both Resolution 15 and Resolution 16 are passed, Shareholders will be approving the disapplication of pre-emption rights in respect of a total of 20 per cent. of the Ordinary Shares in issue. As the issue of shares (or sale from treasury) by the Company on a non-pre-emptive basis will only be made at a premium to the prevailing Net Asset Value, the Board believes that the authority to issue new shares equal to 20 per cent. of the existing shares in issue (excluding treasury shares) is appropriate.

If Resolution 15 is passed but Resolution 16 is not passed Shareholders will be approving the disapplication of pre-emption rights in respect of only 10 per cent. of the existing Ordinary Shares in issue.

Renewal of the Quarterly Tender facility

On 17 February 2014 the members of the Company approved the terms and conditions of, and authorised the Directors' to implement, the Company's Quarterly Tender facility as set out in Part 13 and Appendix 2 of the Prospectus. The authority to implement the Company's Quarterly Tender facility which was renewed on the 2 February 2015 and subsequently on 14 July 2015 and annually thereafter will expire on 31 December 2025, unless renewed at the annual general meeting.

The Company was established with a Quarterly Tender facility that provides Shareholders with a quarterly opportunity to submit Ordinary Shares for placing or repurchase by the Company at a price representing a discount of no more than 2 per cent. to the then prevailing NAV. The objective of the Quarterly Tender facility is to minimise the risk of the Ordinary Shares trading at a discount to NAV and to assist in the narrowing of any discount at which the Ordinary Shares may trade from time to time. The Directors have resolved to convene the AGM in order to seek Shareholder authority to approve the terms and conditions of the Quarterly Tender facility and to authorise the Directors to implement the Quarterly Tender facility in respect of the September 2024 Tender, the December 2024 Tender, the March 2025 Tender and the June 2025 Tender.

The resolution, if passed will give the Directors the authority to renew and implement the Quarterly Tender facility in respect of the September 2024 Tender, the December 2024 Tender, the March 2025 Tender and the June 2025 Tender on the terms and conditions set out in the Notice of Quarterly Tenders.

The proposed terms and conditions of the September 2024 Tender, the December 2024 Tender, the March 2025 Tender and the June 2025 Tender do not materially differ from the terms and conditions of the 2023 Tenders.

The Quarterly Tenders will be for a number of Ordinary Shares up to, in aggregate, 50 per cent. of the issued share capital of the Company as at the 2024 Annual Record Date. Shareholders, other than Restricted Shareholders, will be entitled to tender for repurchase up to 20 per cent. of the Ordinary Shares held by the relevant Shareholder on the relevant Quarter Record Date, unless such percentage needs to be reduced to comply with the Annual Restriction.

The authority conferred by the resolution will lapse at the earlier of the date falling 12 months from the date of the resolution granting this authority and the date of the Company's next annual general meeting, which is expected to be held in July 2025.

Benefits of the Renewal of the Quarterly Tender facility

The Directors believe that the renewal of the Quarterly Tender facility should yield the following principal benefits:

- help the Directors to minimise the risk of the Ordinary Shares trading at a discount to NAV;
- assist the Directors in narrowing any discount at which the Ordinary Shares may trade from time to time; and

- provide Shareholders with a quarterly opportunity to submit Ordinary Shares for placing or repurchase by the Company at a price representing a discount of no more than 2 per cent. to the then prevailing NAV.

Risk Factors

If the Quarterly Tender facility is not approved by Shareholders, the Company will not be able to implement its discount control mechanism, as set out in the Prospectus. This might affect the current share price premium that the shares currently trade at to their Net Asset Value.

The risks associated with the Quarterly Tender facility are set out in Section E of the Appendix.

Meeting

Resolutions proposed as ordinary resolutions at the AGM require a simple majority in order to be passed.

The resolution to be considered at the AGM to renew the terms of the Quarterly Tender facility and authorise the Directors to implement the Quarterly Tender facility will be proposed as a special resolution and will require a majority of not less than 75 per cent. of the votes cast in person or by proxy to be passed. The special resolution to be proposed at the AGM will, if passed, approve the Quarterly Tender facility on the terms and conditions set out in the Notice of Quarterly Tenders and will authorise the Directors to implement the Company's Quarterly Tender facility.

The resolution to authorise the Company to make market acquisitions of its own shares of 1 pence each (either for retention as treasury shares for future resale or transfer or cancellation) up to a maximum of such number of Ordinary Shares as represent 14.99 per cent. of the issued Ordinary Shares on the date on which the resolution is passed, will be proposed at the AGM as a special resolution and will require a majority of not less than 75 per cent. of the votes cast in person or by proxy in order to be passed.

The resolutions to disapply the rights of pre-emption in respect of the Ordinary Shares will each be proposed at the AGM as extraordinary resolutions and will require a majority of not less than 75 per cent. of the votes cast in person or by proxy in order to be passed.

All Shareholders are entitled to attend and vote at the AGM.

All persons holding Ordinary Shares at 12.00 p.m. on 8 July 2024, or, if the AGM is adjourned, on the register of Shareholders of the Company 48 hours before the time of any adjourned AGM, shall be entitled to attend, speak and vote at the AGM and shall be entitled on a poll to 1 vote per Ordinary Share held. In calculating such 48 hour periods, no account shall be taken of any part of a day that is not a Business Day.

As at 9 July 2024, being the latest practicable date prior to the publication of this document there were 251,574,331 Ordinary Shares in issue (the Company currently holds 0 Ordinary Shares in treasury).

Shareholders are requested to complete and return the Form of Proxy whether or not they wish to attend the AGM.

The Board accordingly unanimously recommends Shareholders to vote in favour of the Resolutions to be proposed at the AGM, as they intend to do in respect of their own beneficial holdings totalling 283,004 Ordinary Shares (representing in aggregate approximately 0.11 per cent. of the Company's voting rights) as at 9 July 2024, being the latest practicable date prior to the publication of this document.

Notes:

These notes should be read in conjunction with the notes on the reverse of the enclosed Form of Proxy.

1. All holders of Ordinary Shares are entitled to attend and vote at the meeting. A Shareholder may appoint one or more proxies to exercise all or any of the rights of the shareholder to attend and speak and vote in his place at the meeting. A proxy need not be a member of the Company. If you wish to appoint a person other than the Chair of the meeting, the Administrator or such other person, please insert the name of your chosen proxy holder in the space provided on the enclosed Form of Proxy. A Shareholder may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. If a Shareholder wishes to appoint more than one proxy and so requires additional proxy forms, the shareholder should contact the Company's Receiving Agent, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY.
2. To allow effective constitution of the AGM, if it is apparent to the Chair that no members of the Company will be present in person or by proxy, other than by proxy in the Chair's favour, the Chair may appoint a substitute to act as proxy in his stead for any member, provided that such substitute proxy shall vote on the same basis as the Chair.
3. If a quorum is not present within thirty minutes after the time appointed for the commencement of the meeting, the AGM will be adjourned to 12.00 p.m. on 22 August 2024.
4. A vote withheld is not a vote in law, which means the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, a proxy may vote or abstain from voting at his/her discretion. A proxy may vote (or abstain from voting) as he or she thinks fit in relation to any other matter put before the meeting.
5. Members who wish to change their proxy instructions should submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.
6. In order to revoke a proxy instruction members will need to inform the Company. Members should send a signed hard copy notice clearly stating their intention to revoke a proxy appointment to the Company's Registrar, Computershare Investor Services (Guernsey) Limited, The Pavilions, Bridgwater Road, Bristol BS99 6ZY.
7. The Form of Proxy is enclosed with this notice for use by Shareholders. To be valid, the Form of Proxy and any power of attorney or other authority (if any) under which it is signed (or a certified copy thereof) must be deposited with the Company's Registrar, Computershare Investor Services (Guernsey) Limited, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, as soon as possible and, in any event, by no later than 12.00 p.m. on 6 August 2024. Amended instructions must also be received by the Company's Receiving Agent by the deadline for receipt of Forms of Proxy. You will be asked to enter the Control Number, the Shareholder

Reference Number and PIN which are printed on the enclosed Form of Proxy. If you have any queries in relation to the Form of Proxy you may call Computershare Investor Services (Guernsey) Limited, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, on 0370 707 4040 from within the UK (or +44 (0)370 707 4040 from outside of the UK) between 9.00 a.m. and 5.00 p.m. on any Business Day. Completion and return of a Form of Proxy or the giving of a CREST Proxy Instruction (as described in note 9 below) will not preclude a Shareholder from attending and voting at the meeting if he or she wishes to do so.

8. Pursuant to Regulation 41 of the Uncertificated Securities (Guernsey) Regulations 2009 (as amended from time to time) (the "**Regulations**"), the Company has specified that only those Shareholders entered on the register of members of the Company as at 12.00 p.m. on 8 August 2024 or, if the meeting is adjourned, on the register of members 48 hours prior to the adjourned meeting shall be entitled to attend and vote at the meeting in respect of the number of Ordinary Shares registered in their name at that time. Changes to the register of members after 12.00 p.m. on 8 August 2024 or, if the meeting is adjourned, 48 hours prior to the adjourned meeting will be disregarded in determining the rights of any person to attend and vote at the meeting or adjourned meeting (as the case may be).
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment thereof by using the procedures described in the CREST Manual on the Euroclear UK & Ireland Limited's website (www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to the CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ("**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to an instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID 3RA17) not less than 48 hours before the time of the holding of the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instruction to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure the message is transmitted by means of the CREST system by any particular time. In this connection CREST members and, where applicable, their CREST sponsors or voting service providers are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34 of the Regulations.

10. If the Chair, as a result of any proxy appointments, is given discretion as to how the votes the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chair, result in the Chair holding such number of voting rights that he has a notifiable obligation under the Disclosure Guidance and Transparency Rules, the Chair will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 5 per cent., or more of the voting rights in the Company who grants the Chair a discretionary proxy in respect of some or all of those voting rights, and so would otherwise have a notification obligation under the Disclosure Guidance and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.
11. In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
12. As at 9 July 2024, being the latest practicable date prior to the printing of this notice, there were 251,574,331 Ordinary Shares in issue (the Company currently holds 0 Ordinary Shares in treasury).
13. Terms used in this notice shall have the same meaning as in the circular to shareholders of the Company dated 12 July 2024 unless otherwise defined.
14. The contents of this notice, details of the total number of shares in respect of which members are entitled to exercise voting rights at the meeting, the total voting rights members are entitled to exercise at the meeting and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website www.selectmonthlyincomefund.com.
15. You may not use any electronic address provided in this Notice of AGM to communicate with the Company for any purposes other than those expressly stated.

SECTION B: SUMMARY OF THE QUARTERLY TENDERS

1. INTRODUCTION

The Company will make available to Shareholders quarterly tender offers, which will be referred to hereafter as (i) the September 2024 Tender; (ii) the December 2024 Tender; (iii) the March 2025 Tender; and (iv) the June 2025 Tender, each being a “**Quarterly Tender**” and together being the “**Quarterly Tenders**”. The Quarterly Tenders will be for a number of Shares up to, in aggregate, 50 per cent. of the issued share capital of the Company as at the 2024 Annual Record Date. Shareholders whose names appear on the Register at the close of business on the relevant Quarter Record Date may apply to tender their Shares for purchase by the Company at the Tender Price. Each Quarterly Tender is subject to a limit of 20 per cent. of the Shares in issue as at the relevant Quarter Record Date. In the event of excess applications being received, such excess applications will be satisfied on a *pro rata* basis.

There is no guarantee that any or all Shares tendered will be re-purchased by the Company. The Quarterly Tenders are subject to the Quarterly Restriction and Annual Restriction as set out in Section C of this Notice.

2. QUARTERLY TENDER

Each Quarterly Tender enables those Shareholders, other than Restricted Shareholders, on the Register as at the relevant Quarter Record Date who wish to realise some or all of their Shares to elect to do so (subject to the conditions and limitations of the relevant Quarterly Tender). Shareholders who tender Shares will receive the Tender Price as set out in Section C for each Ordinary Share successfully tendered.

Under the terms of the Quarterly Tenders, Shareholders, other than Restricted Shareholders, will be entitled to tender for repurchase up to 20 per cent. of the Shares held by the relevant Shareholder on the relevant Quarter Record Date, unless such percentage needs to be reduced to comply with the Annual Restriction (the “**Basic Entitlement**”). Shareholders may tender in excess of their Basic Entitlement, but Tender Requests exceeding the Basic Entitlement (and not subject to a Pro Rata Scaling Back) will only be satisfied to the extent that other Shareholders do not submit Tender Requests or submit Tender Requests for Shares which represent less than their Basic Entitlement. Any such excess tenders will be satisfied on a *pro rata* basis.

Full details of the Quarterly Tenders can be found in Section C of this Notice.

3. PROCEDURE FOR TENDERING SHARES

Certificated Shareholders

Certificated Shareholders, other than Restricted Shareholders, who wish to tender Shares should complete the Tender Form in accordance with the instructions set out therein and return the completed Tender Form using their own envelope or delivering by hand (during normal business hours) to the Receiving Agent, Computershare Investor Services PLC, Corporate Actions Projects, The Pavilions, Bridgwater Road, Bristol BS13 8AE, so as to arrive as soon as possible and, in any event, by no later than 1.00 p.m. on the relevant Tender Submission Deadline. Share certificate(s) and/or other document(s) of title in respect of the Shares tendered should be sent with the Tender Form.

Uncertificated Shareholders

Shareholders, other than the Restricted Shareholders, holding Shares in uncertificated form who wish to tender Shares should transmit the appropriate TTE Instruction in CREST as set out in paragraph 4.2.1 of Section C of this Notice so as to be received as soon as possible and, in any event, by no later than 1.00 p.m. on the relevant Tender Submission Deadline. Shareholders should note that, once tendered, Shares may not be sold, transferred, charged or otherwise disposed of other than in accordance with the terms of the Quarterly Tender.

General

Tender Forms or TTE Instructions which are received by the Receiving Agent after 1.00 p.m. on the relevant Tender Submission Deadline for Shareholders or which at that time are incorrectly completed or not accompanied by all relevant certificates, documents or instructions may be rejected and returned to the relevant Shareholders or their appointed agents, together with any accompanying share certificate(s) and/or other document(s) of title.

The Company reserves the right to treat as valid Tender Forms or TTE Instructions which are not entirely in order and which are not accompanied (in the case of Shares held in certificated form) by the relevant share certificate(s) and/or other document(s) of title or a satisfactory indemnity in lieu thereof.

Full details of the procedure for tendering Shares are set out in the section entitled "Terms and Conditions of the Quarterly Tenders" in Section C of this Notice and, in the case of Shares held in certificated form, on the Tender Form.

4. RESTRICTED SHAREHOLDERS AND OTHER OVERSEAS SHAREHOLDERS

The Quarterly Tenders are not being made to those Shareholders who are resident in, or citizens of, a Restricted Territory. In particular, the Quarterly Tenders are not being made, directly or indirectly, in or into or by the use of mails by any means or instrumentality (including, without limitation, facsimile transmission, internet, telex and telephone) of interstate or foreign commerce, or any facility of a national securities exchange, of the United States, nor is it being made, directly or indirectly, in or into the United States, Canada, Australia, the Republic of Ireland, the Republic of South Africa or Japan and the Quarterly Tenders cannot be accepted by any such use means, instrumentality or facility from within the United States, Canada, Australia, the Republic of Ireland, the Republic of South Africa or Japan.

It is the responsibility of all Overseas Shareholders to satisfy themselves as to the observance of any legal requirements in their jurisdiction including, without limitation, any relevant requirements in relation to the ability of such holders to participate in the Quarterly Tender.

Dated 12 July 2024

SECTION C: TERMS AND CONDITIONS OF THE QUARTERLY TENDERS

- 1.1 When the Company is conducting a Quarterly Tender, all Shareholders (other than Restricted Shareholders) who held Shares on the relevant Quarter Record Date may tender Shares for purchase by the Company subject to the Tender Terms and Conditions.
- 1.2 Shareholders are not obliged to tender any Shares during a Quarterly Tender.
- 1.3 The price (the "**Tender Price**") at which Tendered Shares will be repurchased under any Quarterly Tender varies, depending on whether Tendered Shares are Placed Tendered Shares or Repurchased Tendered Shares, but in each case the Tender Price will be calculated as at the relevant Tender NAV Determination Date.
- 1.4 Placed Tendered Shares will be placed in the market at such price as may be obtainable, fixed by reference to the NAV as at the relevant Quarter Record Date, subject to a minimum of NAV as at the Quarter Record Date less 2 per cent.
- 1.5 Repurchased Tendered Shares will be repurchased by the Company at NAV as at the relevant Quarter Record Date less 2 per cent.
- 1.6 Placed Tendered Shares and Repurchased Tendered Shares will be allocated against tendering Shareholder's Tender Requests in the following priority:
 - (i) First, those Tendered Shares (if any) that can be placed in the market, will be allocated against tendering Shareholders' Excess Tender Applications, if any, on a pro rata basis, or until the Excess Tender Applications have been exhausted.
 - (ii) Second, in the event that the Excess Tender Applications have been exhausted pursuant to (i) above, the remaining Tendered Shares (if any) that can be placed in the market will be allocated against tendering Shareholders' Basic Entitlements on a pro rata basis, or until Shareholders' Basic Entitlements have been exhausted.
 - (iii) Third, Tendered Shares (if any), that cannot be placed in the market pursuant to (i) and (ii) above, will be repurchased by the Company on a pro rata basis until Shareholders' Basic Entitlements have been exhausted.

of the tender set out in this Section C of this Notice (the “**Tender Terms and Conditions**”).

- 1.12 Changes of a technical or administrative nature to the Tender Terms and Conditions may be made at the Directors’ discretion and will be published on the Company’s website. Shareholders accepting a tender offer will be deemed to have accepted such changes, if any.

2. CONDITIONS AND RESTRICTIONS ON QUARTERLY TENDERS

- 2.1 The operation of the Quarterly Tender is subject to the following restrictions (the “**Tender Restrictions**”).

2.1.1 Quarterly Restriction

On each Quarter Record Date, the Company may repurchase a maximum of 20 per cent. of the Ordinary Shares (excluding treasury shares) as at the relevant Quarter Record Date.

The number of Ordinary Shares tendered for repurchase in excess of the Quarterly Restriction following any placing of such Ordinary Shares in the market as described in paragraph 1.6(i) and (ii) above will be scaled back on a *pro rata* basis (“**Pro Rata Scaling Back**”) and residual Ordinary Shares will be returned to Shareholders.

2.1.2 Annual Restriction

In each 12 month period ending on the relevant Quarter Record Date, no more than 50 per cent. of the Ordinary Shares (excluding treasury shares) as at the 2024 Annual Record Date may be repurchased by the Company.

The number of Ordinary Shares tendered for repurchase by the Company in excess of the Annual Restriction following any placing of such Shares in the market as described in paragraph 1.6(i) and (ii) above will be subject to a Pro Rata Scaling Back, residual Ordinary Shares will be returned to Shareholders and, following that quarter’s Tender Purchases, Quarterly Tenders will be suspended until after the next Annual Record Date.

2.1.3 Shareholder Approval

The Quarterly Tender facility and the Company’s authority to operate the Quarterly Tender facility is subject to approval by the Shareholders by passing a Special Resolution at a general meeting on an annual basis, or at an earlier Extraordinary General Meeting if the Directors so resolve.

2.1.4 Board Discretion

Whether or not the Company will make a Quarterly Tender will depend upon the Board’s discretion taking into consideration protecting the interests of Shareholders in abnormal markets, whether the Company can satisfy the solvency test under the Law and if the Company may make any such tender under Law, the Listing Rules, the UK Market Abuse Regulation and the Disclosure Guidance and Transparency Rules.

- 2.2 The Company will not purchase any Shares pursuant to a particular Quarterly Tender unless the Tender Restrictions in this paragraph 2 are satisfied.

- 2.3 The conditions and Tender Restrictions may not be waived by the Company, save with the prior approval of Shareholders by a Special Resolution, which may be general or specific in nature.

3. BASIC ENTITLEMENT AND EXCESS TENDERS

- 3.1 In respect of each Quarterly Tender, each Shareholder (other than a Restricted Shareholder) whose name appears on the register at the relevant Quarter Record Date will

be entitled to sell to the Company up to their Basic Entitlement, unless such percentage is subject to any Pro Rata Scaling Back to comply with the Annual Restriction.

- 3.2 Shareholders will be entitled to sell more Shares than their Basic Entitlement, but such orders will only be filled by the Company to the extent that other Shareholders tender less than the aggregate of their Basic Entitlements. In these circumstances, excess Tender Requests will be satisfied pro rata and in proportion to the number of Shares tendered by each relevant Shareholder in excess of their Basic Entitlement (rounded down to the nearest whole number of Shares).
- 3.3 Registered Shareholders who hold Shares for multiple beneficial owners may decide the allocation between such beneficial owners at their own discretion.

4. PROCEDURE FOR TENDERING SHARES

4.1 Shares held in certificated form (that is, not in CREST)

4.1.1 Completion of Tender Forms

If Shares are held in certificated form, separate Tender Forms should be completed for Shares held under different designations. Additional Tender Forms will be available from the Receiving Agent, whose details are set out in paragraph 4.1.2 in this Section C of this Notice.

4.1.2 Return of Tender Forms

The completed and signed Tender Form should be sent either by post using your own envelope or delivering by hand (during normal business hours) to the Receiving Agent, so as to arrive by no later than 1.00 p.m. on the relevant Tender Submission Deadline. No Tender Forms received after any of the Tender Submission Deadlines will be accepted. No acknowledgement of receipt of documents will be given. Any Tender Form received in an envelope postmarked from a Restricted Territory or otherwise appearing to the Company or its agents to have been sent from any Restricted Territory may be rejected as an invalid tender. Further provisions relating to Restricted Shareholders are contained in paragraph 10 of this Section C of this Notice.

The completed and signed Tender Form should be accompanied by the relevant share certificate(s) and/or other document(s) of title. If share certificate(s) and/or other document(s) of title are not readily available (for example, if they are with a stockbroker, bank or other agent), the Tender Form should nevertheless be completed, signed and returned as described above so as to be received by the Receiving Agent by no later than the relevant Tender Submission Deadline together with any share certificate(s) and/or other document(s) of title the Shareholder may have available, accompanied by a letter stating that the (remaining) share certificate(s) and/or other document(s) of title will be forwarded as soon as possible thereafter and, in any event, not later than 1.00 p.m. on the relevant Tender Submission Deadline.

The Receiving Agent, acting as each Shareholder's agent, will affect such procedures as are required to transfer the Shareholder's Shares to the Company under the relevant Quarterly Tender.

If share certificate(s) and/or other document(s) of title have been lost, the Shareholder should either call the Receiving Agent on 0370 707 4040 from within the UK or +44 (0) 370 707 4040 if calling from outside the UK. Alternatively, the Shareholder should write to the Receiving Agent at Computershare Investor Services PLC, Corporate Actions Projects, The Pavilions, Bridgwater Road, Bristol BS13 8AE for a letter of indemnity in respect of the lost share certificate(s) and/or any other document(s) of title which, when completed in accordance with the instructions given, should be returned to the Receiving Agent at Computershare Investor Services PLC, Corporate Actions Projects, The Pavilions, Bridgwater Road, Bristol BS13 8AE so as to be received by no later than the relevant Tender Submission Deadline.

4.2 Shares held in uncertificated form (that is, in CREST)

4.2.1 Completion of TTE Instruction

If the Shares to be tendered are held in uncertificated form, each Shareholder should take (or procure to be taken) the action set out below to transfer (by means of a TTE Instruction) the number of Shares which such Shareholder wishes to tender in respect of a Quarterly Tender to an escrow balance, specifying the Receiving Agent under its participant ID (referred to below) as the escrow agent, as soon as possible and, in any event, so that the transfer to escrow settles not later than 1.00 p.m. on the relevant Tender Submission Deadline.

Shareholders who are CREST sponsored members should refer to their CREST sponsor before taking any action. The CREST sponsor will be able to send the TTE Instruction to Euroclear UK & Ireland in relation to the Shares which the Shareholder wishes to tender.

Shareholders should send (or, if a Shareholder is a CREST sponsored member, procure that their CREST sponsor sends) a TTE Instruction to Euroclear UK & Ireland, which must be properly authenticated in accordance with Euroclear UK & Ireland's specification and which must contain, in addition to the other information that is required for the TTE Instruction to settle in CREST, the following details:

- the ISIN number for the Shares, this is GG00BJVDZ946;
- the number of Shares to be transferred to an escrow balance;
- the Shareholder's member account ID;
- the Shareholder's participant ID;
- the Receiving Agent's participant ID as the escrow agent – 3RA17;
- the Receiving Agent's member account ID of the escrow agent, being 24MIFTE;
- the Corporate Action Number for the Quarterly Tender – this is allocated by Euroclear UK & Ireland and can be found by viewing the relevant corporate action details in CREST;
- the intended settlement date for the transfer to escrow. This should be as soon as possible and in any event by no later than 1.00 p.m. on the relevant Tender Submission Deadline; and
- input with standard delivery instruction priority of 80.

After settlement of the TTE Instruction, Shareholders will not be able to access the Shares concerned in CREST for any transaction or for charging purposes, notwithstanding that they will be held by the Receiving Agent as agent of the Shareholder until completion or termination or lapse of the relevant Quarterly Tender. If a Quarterly Tender becomes unconditional, the Receiving Agent will transfer the Shares which are accepted for purchase by the Company to itself as the Shareholder's agent for onward sale to the Company.

Shareholders are recommended to refer to the CREST Manual published by Euroclear UK & Ireland for further information on the CREST procedures outlined above.

Shareholders should note that Euroclear UK & Ireland does not make available special procedures, in CREST, for any particular corporate action. Normal system timings and limitations will therefore apply in connection with a TTE Instruction and its settlement. Shareholders should therefore ensure that they (or their CREST sponsor) take all necessary action to enable a TTE Instruction relating to their Shares to settle prior to the relevant Tender Submission Deadline. In connection with this, Shareholders are referred in

particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

4.2.2 *Deposits of Shares into, and withdrawals of Shares from, CREST*

Normal CREST procedures (including timings) apply in relation to any Shares that are, or are to be, converted from uncertificated to certificated form, or from certificated to uncertificated form, during the course of a Quarterly Tender (whether such conversion arises as a result of a transfer of Shares or otherwise). Shareholders who are proposing to convert any such Shares are recommended to ensure that the conversion procedures are implemented in sufficient time to enable the person holding or acquiring the Shares as a result of the conversion to take all necessary steps in connection with such person's participation in the relevant Quarterly Tender (in particular, as regards delivery of share certificate(s) and/or other document(s) of title or transfers to an escrow balance as described above) prior to the relevant Tender Submission Deadline.

4.3 Validity of Tender Forms and TTE Instructions

- 4.3.1 Notwithstanding the powers in paragraph 9.4 in this Section C of this Notice, the Company reserves the right to treat as valid only Tender Forms and TTE Instructions which are received entirely in order by the relevant Tender Submission Deadline, which are accompanied (in the case of Shares held in certificated form) by the relevant share certificate(s) and/or other document(s) of title or a satisfactory indemnity in lieu thereof.
- 4.3.2 Notwithstanding the completion of a valid Tender Form or TTE Instruction, a Quarterly Tender may terminate in accordance with these Tender Terms and Conditions.
- 4.3.3 The decision of the Company as to which Shares have been validly tendered shall be conclusive and binding on Shareholders who participate in a Quarterly Tender.
- 4.3.4 Shareholders should contact the Receiving Agent if they are in any doubt as to how to complete the Tender Form or submit a TTE Instruction or as to the procedures for tendering Shares. Shareholders who are CREST sponsored members should contact their CREST sponsor before taking any action.

5. ANNOUNCEMENTS OF THE TENDER PRICE AND SETTLEMENT

- 5.1 Unless terminated in accordance with the provisions set out in paragraph 8 of this Section C of this Notice, a Quarterly Tender will close for Shareholders at the relevant Tender Submission Deadline. On or as soon as is reasonably practicable following each Tender Submission Deadline an RIS announcement will be released informing Shareholders of the aggregate number of Ordinary Shares in respect of which Tender Requests have been made.
- 5.2 As soon as practicable following each Tender NAV Determination Date the Company will make a public announcement of the NAV per Ordinary Share, average price achieved in the placing of Placed Tendered Shares and the resulting Tender Price, being a pro rata proportion of the aggregate proceeds received on the sale or repurchase of all Placed Tendered Shares and Repurchased Tendered Shares. The announcement will also set out the number of Tendered Shares (if any) placed in the market, the number of Tendered Shares repurchased by the Company and the extent of any Pro Rata Scaling Back due to the aggregated Tender Requests exceeding the Quarterly Restriction and/or the Annual Restriction, as applicable.
- 5.3 If, at any point, the 50 per cent. threshold in the Annual Restriction is reached in the relevant annual period, an RIS announcement will be made informing Shareholders that there will be no further Quarterly Tenders in respect of the Ordinary Shares until the following annual period.
- 5.4 Delivery of cash to Shareholders for the Shares to be purchased pursuant to a Quarterly Tender will be made by the Receiving Agent. The Receiving Agent will act as agent for

tendering Shareholders for the purpose of receiving the cash and transmitting such cash to tendering Shareholders. Under no circumstances will interest be paid on the cash to be paid by the Company or the Receiving Agent regardless of any delay in making such payment.

5.5 If any tendered Shares are not purchased because of an invalid tender, the termination of a Quarterly Tender or otherwise, relevant share certificate(s) and/or other document(s) of title, if any, will be returned or sent as promptly as practicable, without expense to, but at the risk of, the relevant tendering Shareholder, or in the case of Shares held in uncertificated form (that is, in CREST), the Receiving Agent will provide instructions to Euroclear UK & Ireland to transfer all Shares held in escrow balances by TTE Instruction to the original available balances to which those Shares relate.

5.6 For each Quarterly Tender, settlement of the consideration to which any Shareholder is entitled pursuant to valid Tender Requests accepted by the Company is expected to be made at the relevant Tender Settlement Date as follows:

5.6.1 *Shares held in certificated form (that is, not in CREST)*

Where an accepted Tender Request relates to Shares held in certificated form, cheques for the consideration due will be despatched by the Receiving Agent by first class post to the person or agent whose name and address is set out in Box 1 (or, if relevant, Box 3) of the Tender Form or, if none is set out, to the registered address of the tendering Shareholder shown in Box 2 of the Tender Form or, in the case of joint holders, the address of the Shareholder first named in the Register. All cash payments will be made in the currency to which the tendered Shares correspond by cheque drawn on a branch of a UK clearing bank.

5.6.2 *Shares held in uncertificated form (that is, in CREST)*

Where an accepted Tender Request relates to Shares held in uncertificated form, the consideration due will be paid by means of CREST by the Company procuring the creation of a CREST payment in favour of the tendering Shareholder's payment bank in accordance with the CREST payment arrangements.

5.6.3 *Timing of settlement*

The payment of any consideration to Shareholders for Tender Purchases will be made only after the relevant TTE Instruction has settled or (as the case may be) timely receipt by the Receiving Agent of share certificate(s) and/or other requisite document(s) of title evidencing such Shares and any other documents required for a Quarterly Tender.

5.7 If only part of a Shareholding is sold in a Quarterly Tender or if, because of any Pro Rata Scaling Back, any Shares tendered are not purchased during a Quarterly Tender, then:

5.7.1 where the Shares are held in certificated form, the relevant Shareholder will be entitled to receive a balance share certificate in respect of the remaining Shares; or

5.7.2 where the Shares are held in uncertificated form (that is, in CREST) the unsold Shares will be transferred by the Receiving Agent by means of a TTE Instruction to the original available balance from which those Shares came.

6. TENDER FORM AND TTE INSTRUCTION

6.1 Each Shareholder by whom, or on whose behalf, a Tender Form and/or TTE Instruction (as applicable) is executed or input, irrevocably undertakes, represents, warrants and agrees to and with the Company (so as to bind himself, and his respective personal representatives, heirs, successors and assigns) that:

6.1.1 the execution of the Tender Form or the input of a TTE Instruction shall constitute an offer to sell to the Company such Shareholder's Basic Entitlement or, if relevant, the number of Shares inserted in Box 1A of the Tender Form or submitted in the TTE Instruction (as

applicable), on and subject to the Tender Terms and Conditions and, once a Tender Form and/or TTE Instruction is submitted, such offer shall be irrevocable;

- 6.1.2 such Shareholder has full power and authority to tender, sell, assign or transfer the Shares in respect of which such offer is accepted (together with all rights attaching thereto) and, when the same are purchased by the Company, the Company will acquire such Shares with full title guarantee and free from all liens, charges, encumbrances, equitable interests, rights of pre-emption or other third party rights of any nature and together with all rights attaching thereto on or after the relevant Tender Settlement Date, including the right to receive all dividends and other distributions declared, paid or made after that date;
- 6.1.3 the execution of the Tender Form or the input of a TTE Instruction will, subject to the relevant Quarterly Tender becoming unconditional, constitute the irrevocable appointment of any Director or officer of the Company as such Shareholder's attorney and/or agent, and an irrevocable instruction to the attorney to complete and execute all or any instruments of transfer and/or other documents at the attorney's discretion in relation to the Shares referred to in paragraph 6.1.1 above in favour of the Company or such other person or persons as the Company may direct and to deliver such instrument(s) of transfer and/or other documents at the discretion of the attorney, together with the share certificate(s) and/or other document(s) of title relating to such Shares, for registration within six months of the relevant Quarterly Tender becoming unconditional and to do all such other acts and things as may in the opinion of such attorney be necessary or expedient for the purpose of, or in connection with, the relevant Quarterly Tender and to vest such Shares in the Company or its nominee(s) or such other person(s) as the Company may direct;
- 6.1.4 such Shareholder will ratify and confirm each and every act or thing which may be done or effected by the Company or any of its Directors or any person nominated by the Company in the proper exercise of its or their powers and/or authorities hereunder;
- 6.1.5 if such Shareholder holds Shares in certificated form, he will deliver to the Receiving Agent his share certificate(s) and/or other document(s) of title in respect of the Shares referred to in paragraph 6.1.1 above, or an indemnity acceptable to the Receiving Agent in lieu thereof, or will procure the delivery of such certificate(s) and/or other document(s) to such person as soon as possible thereafter and, in any event, by no later than 1.00 p.m. on the relevant Tender Submission Deadline;
- 6.1.6 such Shareholder shall do all such acts and things as shall be necessary or expedient and execute any additional documents deemed by the Company to be desirable, in each case to complete the purchase of the successfully tendered Shares and/or to perfect any of the authorities expressed to be given hereunder;
- 6.1.7 such Shareholder, if an Overseas Shareholder, has fully observed any applicable legal requirements and that the invitation under a Quarterly Tender may be made to and accepted by him under the laws of the relevant jurisdiction;
- 6.1.8 such Shareholder has not received or sent copies or originals of the Circular or the Tender Form or any related documents to a Restricted Territory and has not otherwise utilised in connection with a Quarterly Tender, directly or indirectly, the mails or any means or instrumentality (including, without limitation, facsimile transmission, internet, telex and telephone) of interstate or foreign commerce, or of any facility of a national securities exchange, of any Restricted Territory, that the Tender Form has not been mailed or otherwise sent in, into or from any Restricted Territory and that such Shareholder is not accepting a Quarterly Tender from any Restricted Territory;
- 6.1.9 in the case of Shares held in certificated form, the provisions of the Tender Form shall be deemed to be incorporated into the Tender Terms and Conditions;
- 6.1.10 in the case of Shares held in certificated form, the despatch of cheques in respect of the Tender Price to such Shareholder at their registered address or such other relevant address

as may be specified in the Tender Form will constitute a complete discharge by the Company of its obligations to make such payments to such Shareholder;

- 6.1.11 in the case of Shares held in uncertificated form (that is, in CREST), the creation of a CREST payment in favour of such Shareholder's payment bank in accordance with the CREST payment arrangements as referred to in paragraph 5 of this Section C of this Notice will, to the extent of the obligations so created, discharge fully any obligation of the Company to pay to such Shareholders the cash consideration to which they are entitled in a Quarterly Tender;
- 6.1.12 on execution, the Tender Form takes effect as a deed; and
- 6.1.13 the execution of the Tender Form or the input of a TTE Instruction constitutes such Shareholder's submission to the jurisdiction of the courts of England and Wales in relation to all matters arising out of or in connection with a Quarterly Tender.
- 6.2 A reference in this paragraph 6 to a Shareholder includes a reference to the person or persons executing the Tender Form or submitting a TTE Instruction and in the event of more than one person executing a Tender Form or submitting a TTE Instruction, the provisions of this paragraph 6 will apply to them jointly and to each of them.

7. ADDITIONAL PROVISIONS

- 7.1 When a Quarterly Tender takes place, Shareholders (other than a Restricted Shareholder) will be entitled, subject to the conditions and the Tender Restrictions, to have accepted valid tenders to the Company up to their Basic Entitlement. In addition, Shareholders may tender Shares in excess of their Basic Entitlement where other Shareholders tender less than their Basic Entitlement and subject to the Pro Rata Scaling Back of Tender Requests, as set out in paragraph 2.1.1 in this Section C of this Notice. If in the Receiving Agent's determination (in its absolute discretion) Box 1A of any Tender Form has not been validly completed, provided that that Tender Form is otherwise in order and accompanied by all other relevant documents, the relevant Shareholders may be deemed to have tendered such numbers of Shares as are equal to their respective Basic Entitlements.
- 7.2 Shares sold by Shareholders pursuant to a Quarterly Tender will be acquired with full title guarantee and free from all liens, charges, encumbrances, equitable interests, rights of pre-emption or other third party rights of any nature and together with all rights attaching thereto on or after the relevant Tender Settlement Date, including the right to receive all dividends and other distributions declared, paid or made after that date.
- 7.3 Shareholders who tender or procure the tender of Shares will thereby be deemed to have agreed that, in consideration of the Company agreeing to process their Tender Request, such Shareholders will not revoke their tender or withdraw their Shares. Shareholders should note that once tendered, Shares may not be sold, transferred, charged or otherwise disposed of.
- 7.4 Any omission to despatch the Tender Form or any notice required to be despatched under the terms of a Quarterly Tender to, or any failure to receive the same by, any person entitled to participate in a Quarterly Tender shall not invalidate a Quarterly Tender in any way or create any implication that a Quarterly Tender has not been made to any such person.
- 7.5 No acknowledgement of receipt of any Tender Form, TTE Instruction, share certificate(s) and/or other document(s) of title will be given. All communications, notices, certificates, documents of title and remittances to be delivered by or sent to or from Shareholders (or their designated agents) will be delivered by or sent to or from such Shareholders at their own risk.
- 7.6 All powers of attorney and authorities on the terms conferred by or referred to in this Notice or in the Tender Form are given by way of security for the performance of the

obligations of the Shareholders concerned and are irrevocable in accordance with section 4 of the Powers of Attorney Act 1971.

- 7.7 Subject to paragraphs 9 and 10 of this Section C of this Notice, all Tender Requests in relation to certificated Shareholders must be made on the prescribed Tender Form, fully completed in accordance with the instructions set out thereon which constitute part of the Tender Terms and Conditions of a Quarterly Tender and, for uncertificated holders, a TTE Instruction must be submitted in accordance with the instructions provided in paragraph 4.2 of this Section C of this Notice. A Tender Form or TTE Instruction will only be valid when the procedures contained in the Tender Terms and Conditions and in the Tender Form or TTE Instruction are complied with. Each Quarterly Tender and any non-contractual obligations arising out of or in connection with a Quarterly Tender will be governed by and construed in accordance with the laws of England and Wales.
- 7.8 If a Quarterly Tender is terminated in accordance with the Tender Terms and Conditions, all documents lodged pursuant to that Quarterly Tender will be returned promptly by post, within 14 Business Days of that Quarterly Tender terminating, to the person or agent whose name and address is set out in Box 1 (or, if relevant, Box 3) of the Tender Form or, if none is set out, to the registered address of the tendering Shareholder shown in Box 2 of the Tender Form or, in the case of joint holders, the address of the Shareholder first named in the Register. In the case of Shares held in uncertificated form, the Receiving Agent in its capacity as the escrow agent will, within 14 Business Days of a Quarterly Tender terminating, give instructions to Euroclear UK & Ireland to transfer all Shares held in escrow balances and in relation to which it is the escrow agent for the purposes of a Quarterly Tender by TTE Instruction to the original available balances from which those Shares came. In any of these circumstances, Tender Forms and TTE Instructions will cease to have any effect.
- 7.9 In the case of Shares held in certificated form, the instructions, terms, provisions and authorities contained in or deemed to be incorporated in the Tender Form shall constitute part of the Tender Terms and Conditions. The definitions set out in an this Notice apply to all Tender Terms and Conditions of the September 2024 Tender, the December 2024 Tender, the March 2025 Tender and the June 2025 Tender.
- 7.10 Subject to paragraphs 9 and 10 of this Section C of this Notice, a Quarterly Tender is open to those Shareholders whose name appeared on the register on the relevant Quarter Record Date. Each Quarterly Tender will close on the relevant Tender Submission Deadline. Subject to paragraphs 4.1.2 and 9.4 in this Section C of this Notice, no Tender Form, share certificate(s) and/or other document(s) of title or indemnity or TTE Instruction received after 1.00 p.m. on the relevant Tender Submission Deadline will be accepted.
- 7.11 Copies of the Circular and Tender Forms may be obtained on request from the Receiving Agent at the address set out in the Tender Form and on the Company's website.

8. TERMINATION OF A QUARTERLY TENDER

- 8.1 A Quarterly Tender will terminate if, at any time prior to effecting the purchase of the successfully tendered Shares, the Company suspends the calculation of its NAV for any reason.
- 8.2 If any Quarterly Tender terminates in accordance with this paragraph 8, the Company shall by an RIS announcement withdraw that Quarterly Tender and, in such event, that Quarterly Tender shall cease and determine absolutely.

9. MISCELLANEOUS

- 9.1 All times and dates in the expected timetable set out in Section A of this Notice and in this Notice may be adjusted by the Company. Any change to the expected timetable, terms, or any extension or termination of a Quarterly Tender will be followed as promptly as practicable by an RIS announcement thereof, to be issued by no later than 3.00 p.m. on the Business Day following the date of such change. In such cases, the definitions, times

and dates mentioned in relation to a Quarterly Tender herein shall be deemed to be adjusted accordingly. References to the making of an announcement by the Company include the release of an announcement on behalf of the Company by the Registrar to the press and the delivery of, or telephone or facsimile or other electronic transmission of, such announcement to an RIS of the London Stock Exchange.

- 9.2 Shares purchased pursuant to a Quarterly Tender will, following the completion of such Tender Purchase, be acquired by the Company and such Shares will be cancelled by the Company.
- 9.3 The expenses of a Quarterly Tender (including stamp duty, and Portfolio realisation costs) together with the applicable VAT will be borne by the tendering Shareholders.
- 9.4 The Company reserves the absolute right to inspect (either itself or through its agents) all Tender Forms and TTE Instructions and may consider void and reject any Tender Request that does not in the Company's sole judgement (acting reasonably) meet the requirements of the Quarterly Tender to which such Tender Form or TTE Instruction relates. The Company also reserves the absolute right to waive any defect or irregularity in the tender of any Shares, including any Tender Form (in whole or in part) which is not entirely in order, the related share certificate(s) and/or other document(s) of title or an indemnity acceptable to the Company in lieu thereof. However, in that event, the consideration in a Quarterly Tender for successfully tendered Shares held in certificated form will only be despatched when the Tender Form is entirely in order and the relevant share certificate(s) and/or other document(s) of title or indemnities satisfactory to the Company has/have been received. The Company, the Receiving Agent or any other person will not be under any duty to give notification of any defects or irregularities in Tender Requests or incur any liability for failure to give any such notification.
- 9.5 The provisions of the Contracts (Rights of Third Parties) Act 1999 do not apply to Quarterly Tenders.

10. RESTRICTED SHAREHOLDERS AND OVERSEAS SHAREHOLDERS

- 10.1 The provisions of this paragraph 10 and any other terms of a Quarterly Tender relating to Restricted Shareholders and Overseas Shareholders may be waived, varied or modified as regards specific Shareholders or on a general basis by the Company but only if the Company is satisfied that such a waiver, variance or modification will not constitute or give rise to a breach of applicable securities or other laws.
- 10.2 Overseas Shareholders should inform themselves about and observe any applicable legal requirements. It is the responsibility of any such Overseas Shareholder wishing to tender Shares to satisfy himself as to the full observance of the laws of the relevant jurisdiction in connection herewith, the compliance with other necessary formalities and the payment of any transfer or other taxes or other requisite payments due in such jurisdiction. Any such Overseas Shareholders will be responsible for the payment of any such transfer or other taxes or other requisite payments due by whomsoever payable and the Company and any person acting on its behalf shall be fully indemnified and held harmless by such Overseas Shareholder for any such transfer or other taxes or other requisite payments such person may be required to pay. No steps have been taken to qualify Quarterly Tenders or to authorise the extending of Quarterly Tenders or the distribution of Tender Forms in any territory outside the United Kingdom.
- 10.3 Quarterly Tenders will not be made to Restricted Shareholders. Restricted Shareholders will be excluded from the Quarterly Tenders in order to avoid breaching applicable local laws relating to the implementation of a Quarterly Tender. Accordingly, copies of this Notice, the Circular, Tender Forms and any related documents will not be and must not be mailed or otherwise distributed into a Restricted Territory, including to any Shareholder with a registered addresses in any Restricted Territory, or to persons who the Company knows to be custodians, nominees or trustees holding Shares for persons in Restricted Territories. Persons receiving such documents (including, without limitation, custodians, nominees and trustees) should not distribute or send them in or into a Restricted Territory

or use such mails or any such means, instrumentality or facility in connection with a Quarterly Tender, as doing so will render invalid any related purported acceptance of a Quarterly Tender. Persons wishing to accept a Quarterly Tender should not use such mails or any such means, instrumentality or facility for any purpose directly or indirectly relating to acceptance of that Quarterly Tender. Envelopes containing Tender Forms should not be postmarked from a Restricted Territory or otherwise despatched to a Restricted Territory and accepting Shareholders must not provide Restricted Territory addresses for the remittance of cash or return of Tender Forms.

- 10.4 A Shareholder will be deemed not to have made a valid Tender Request if:
- 10.4.1 such Shareholder is unable to make the representations and warranties set out in paragraphs 6.1.7 (if relevant) and 6.1.8 in this Section C of this Notice;
 - 10.4.2 such Shareholder inserts in Box 1 (or, if relevant, Box 3) of the Tender Form the name and address of a person or agent in a Restricted Territory to whom they wish the consideration to which such Shareholder is entitled in a Quarterly Tender to be sent; or
 - 10.4.3 the Tender Form received from them is in an envelope postmarked in, or which otherwise appears to the Company or its agents to have been sent from, a Restricted Territory. The Company reserves the right, in its absolute discretion, to investigate, in relation to any acceptance, whether the representations and warranties referred to in paragraphs 6.1.7 (if relevant) and 6.1.8 of this Section C of this Notice given by any Shareholder are correct and, if such investigation is undertaken and as a result the Company determines (for any reason) that such representations and warranties are not correct, such acceptance shall not be valid.
- 10.5 If, in connection with a Quarterly Tender, notwithstanding the restrictions described above, any person (including, without limitation, custodians, depositaries, nominees and trustees), whether pursuant to a contractual or legal obligation or otherwise, forwards this Notice, the Circular, the Tender Form or any related documents in or into a Restricted Territory or uses the mails of, or any means or instrumentality (including, without limitation, facsimile transmission, telex, internet and telephone) of interstate or foreign commerce of, or any facility of a national securities exchange in, a Restricted Territory in connection with such forwarding, such person should:
- 10.5.1 inform the recipient of such fact;
 - 10.5.2 explain to the recipient that such action may invalidate any purported acceptance by the recipient; and
 - 10.5.3 draw the attention of the recipient to this paragraph 10.
- 10.6 If you are in any doubt about your position, you should consult your professional adviser in the relevant territory.
- 10.7 The provisions of this paragraph 10 supersede any of the Tender Terms and Conditions inconsistent herewith.

11. MODIFICATIONS

The Tender Terms and Conditions shall have effect subject to such non-material modifications or additions as the Company may from time to time approve in writing. The relevant Tender Submission Deadlines referred to in this Notice in respect of a Quarterly Tender may be amended by the Company. Details of any such changes will appear on the Company's website.

SECTION D: TAXATION

The following statements are intended only as a general guide to current UK tax legislation and to what is understood to be the current practice of HMRC, both of which are subject to change with retrospective effect. They do not constitute advice and they summarise certain limited aspects of the UK taxation consequences of disposing of Shares pursuant to the Quarterly Tender mechanism and may not apply to certain Shareholders, such as dealers in securities, insurance companies, collective investment schemes or Shareholders who have (or are deemed to have) acquired their shares by virtue of an office or employment, who may be subject to special rules. Unless expressly stated otherwise they apply only to Shareholders of the Company resident and, in the case of individuals, domiciled for tax purposes in the United Kingdom at all relevant times, who hold Shares as an investment (rather than as securities to be realised in the course of a trade) and who are the absolute beneficial owners of those Shares. Shareholders who are in any doubt about their tax position, or who are resident or otherwise subject to taxation in a jurisdiction outside the United Kingdom, should consult their own professional advisers immediately.

UK offshore fund rules

The Company is an offshore fund for the purposes of UK taxation and is registered with HMRC as a reporting fund and intends to maintain such status.

Tax on disposals

On the basis that the Company will continue to have reporting fund status, a disposal of Placed Tendered Shares by a Shareholder who is an individual pursuant to the Quarterly Tender mechanism will not be subject to UK tax as income and will be a disposal for capital gains tax purposes and may, depending on the Shareholder's individual circumstances (including the availability of exemptions, reliefs and allowable losses), give rise to a liability to capital gains tax. Whilst the position is not entirely free from doubt, on the basis that the Company will continue to have reporting fund status, it is expected that a disposal of Repurchased Tendered shares by such a Shareholder pursuant to such mechanism will not be subject to UK tax as income and will be a disposal for capital gains tax purposes and may, depending on the Shareholder's individual circumstances (including the availability of exemptions, reliefs and allowable losses), give rise to a liability to capital gains tax.

On the basis that the Company will continue to be an offshore fund, for Shareholders within the charge to UK corporation tax, their Shares will be treated as creditor relationships for the purposes of the rules relating to the taxation of most corporate debt contained in the Corporation Tax Act 2009 and a disposal of their Shares pursuant to the Quarterly Tender mechanism will be subjected to, or relieved from, UK corporation tax accordingly.

Transactions in securities

The attention of Shareholders is drawn to anti-avoidance legislation in Chapter 1, Part 13 of the Income Tax Act 2007 and Part 15 of the Corporation Tax Act 2010 that could apply if tax advantages are sought in prescribed circumstances.

Stamp duty and stamp duty reserve tax ("SDRT")

No UK stamp duty will be payable on a transfer of Shares pursuant to the Quarterly Tender mechanism, provided that all instruments effecting or evidencing the transfer are not executed, and do not relate to property situated in the United Kingdom and no matters or things done relating to the transfer are performed in the United Kingdom.

Provided that the Shares are not registered in any register kept in the United Kingdom by or on behalf of the Company and that the Shares are not paired with shares issued by a company incorporated in the United Kingdom, any agreement to transfer the Shares pursuant to the Quarterly Tender mechanism will not be subject to UK SDRT.

General Anti-Abuse Rule

Shareholders should be attentive to the potential application of the General Anti-Abuse Rules contained in Part 5 of the Finance Act 2013 which targets abusive tax arrangements.

SECTION E: RISK FACTORS

1. Shareholders have no right to have their Shares redeemed or repurchased by the Company or placed by the Company's broker

The Company has been established as a closed-ended vehicle. Accordingly, there is no right or entitlement attaching to Shares that allows them to be redeemed or repurchased by the Company or placed by the Company's broker at the option of the Shareholder. The Company has, however, established the Quarterly Tender facility, as a discount management mechanism.

2. Quarterly Tenders will be subject to certain restrictions and so Shareholders should not have an expectation that all or any of the Shares they make available for sale to the Company will be purchased through the Quarterly Tender facility

While the Quarterly Tenders offer enhanced liquidity to Shareholders, Shareholders are not guaranteed to be able to have their Shares redeemed or repurchased by the Company because Quarterly Tenders are subject to annual Shareholder approval, the discretion of the Directors and are contingent upon certain factors including, but not limited to the restrictions as discussed further in paragraph 2 of Section C of this Notice.

3. Shareholders in certain jurisdictions may not be eligible to participate in Quarterly Tenders and to receive the cash proceeds thereof

The securities laws of certain jurisdictions may restrict the Company's ability to allow Shareholders to participate in any Quarterly Tenders or redemption offers. There can be no assurance that the Company will be able to conduct any Quarterly Tenders or redemption offers in a manner that would enable participation therein, or receipt of the cash proceeds thereof, by Shareholders in such jurisdictions. Shareholders who have a registered address in or who are resident or located in (as applicable) a jurisdiction other than the United Kingdom should consult their professional advisers as to whether they require any governmental or other consents or need to observe any other formalities to enable them to participate in any Quarterly Tenders or redemption offers.

4. Shareholders' percentage voting rights in the Company may increase as a result of Tender Purchases and as a result there is a risk that a Shareholder may acquire 30 per cent. of the voting rights in the Company and then be obliged under the Takeover Code to make a general offer to all the remaining Shareholders to acquire their Shares

A Shareholder could be required to make a general offer to all remaining Shareholders to acquire their Shares under Rule 9 of the Takeover Code, which states that any person who acquires shares which, taken together with shares already held by him or shares held or acquired by persons acting in concert with him, carry 30 per cent. or more of the voting rights in a company which is subject to the Takeover Code, is normally required to make a general offer to all the remaining shareholders to acquire their shares. Similarly, when any person or persons acting in concert already hold more than 30 per cent. but not more than 50 per cent. of the voting rights of such company, a general offer will normally be required if any further shares increasing that person's percentage of voting rights are acquired.

Under Rule 37 of the Takeover Code, when a company purchases its own voting shares, a resulting increase in the percentage of voting rights carried by the shareholdings of any person or group of persons acting in concert will be treated as an acquisition for the purposes of Rule 9 of the Takeover Code. Accordingly, when the Company makes Tender Purchases pursuant to a Quarterly Tender, any resulting increase in the percentage of the voting rights in the Company held by a Shareholder (or Shareholders acting in concert) will be treated as an acquisition in accordance with Rule 37 of the Takeover Code and, if such percentage reaches 30 per cent. of the voting rights in the Company, or if a Shareholder (or Shareholders acting in concert) already hold(s) 30 per cent. of the voting rights in the Company and such percentage Shareholding increases further, the relevant Shareholder or Shareholders would be required under Rule 9 to make a general offer to all remaining Shareholders to acquire their Shares.

5. **Taxation**

The comments in this document regarding taxation are for the information of Shareholders only, the taxation position of a Shareholder will depend on that Shareholder's individual circumstances and are based on current tax law. Tax law is subject to change and so the rules referred to may not still be current at the time of the anticipated reorganisation or of subsequent returns of capital, and any change in taxation legislation or practice could affect the post-tax returns to Shareholders.
